Summary:

Final-year MCA student with a strong foundation in **Java, Python, SQL, and web development**. Passionate about **learning and applying problem-solving skills** to real-world projects. Currently working on a **Face Recognition Attendance System** using Python and OpenCV. Interested in **software development, full-stack web development, and data analytics**. Eager to contribute technical skills and grow in a dynamic IT environment.

Educational Qualification

- **Master of Computer Applications (MCA)** (*Pursuing, 2025*)
Institute of Professional Excellence and Management, Dr. APJ-AKTU
- **Bachelor of Computer Applications (BCA)** (*2022*)
Fairfield Institute of Management and Technology, GGSIPU
- **Higher Secondary (12th), C.B.S.E** (*2019 – 75%*)
Tagore Senior Secondary School
- **Secondary (10th), C.B.S.E** (*2017 – 64%*)
Tagore Senior Secondary School

Projects

- **Face Recognition Attendance System (*Ongoing*)**
 - Currently Developing an automated attendance system using **Python, OpenCV, and MySQL**.
 - Implemented **face detection & recognition** for accurate tracking.
 - Working on **database integration** for secure attendance storage.
- **Web Development Project**
 - Developed a fully functional e-commerce website using **HTML, CSS, JavaScript, PHP, and MySQL** as part of a web development course.
 - Designed the frontend, implemented user authentication, and integrated a payment gateway.
- **Data Visualization Project (Power BI)**
 - Analyzed sales data for a retail company using **Power BI**.
 - Created interactive dashboards and reports to track sales trends, customer demographics, and product performance.

Technical Skills

- Languages: Core Java, Python, PHP, C
- Web Technologies: Familiar with Html, CSS, JavaScript, Bootstrap
- Databases: Understanding of MySQL, SQL
- Tools & Platform: Power BI, Visual Studio Code, NetBeans, Dreamweaver
- Learning: Full Stack Development, Data Analytics
- **Other Skills:** Communication, Time Management, Problem Solving, Team Collaboration

Certifications

- **Web Development Certification** – Computec Professional Groups (2022)
- **SQL for Data Analyst or Database Management** – Great Learning (2023)
- **Power BI Data Analyst** – 4Achievers (2024)
