Work Experience

April 2024 – Jan 2025
Webshlok Digital Services
Mern Developer

• Designed and developed Nextjs application and responsive WordPress websites with optimized performance for multiple clients.

• Key Projects: Mohindra Eco Pipes, Associate Travel Consultancy (ATC), Amigos Alliance, Jindal Aesthetics, Mohit Rohit Landmark.

Jan 2024 – April 2024
Webshlok Digital Services
Frontend Developer Intern

• Contributed to Dev-Wallet, integrating APIs and building responsive user interfaces with React.

• Developed proficiency in modern web technologies through self-learning and hands-on projects.

Projects

Netflix Clone:
Developed a Netflix clone with **React, Next.js, Tailwind CSS, MongoDB,** and **Redux**. Features include movie browsing, favorites list, playback, and user authentication. Used Redux for state management and MongoDB for scalable data storage.

To-Do List App:
Built a feature-rich to-do list application using **React** and **Redux** for state management. Included functionalities like task creation, editing, and filtering tasks by status (completed, pending). Emphasized clean design and intuitive user experience.

Certifications and Training

Java Full Stack Course

Anudip Foundation, Gurgaon Comprehensive training in full-stack development including Java, databases, and frontend technologies.
